It is governed by a five (5) member volunteer Board of Commissioners who are appointed by the Naples City Council. Under their direction, an Executive Director manages the airport and its programs.

The NAA financially supports itself directly from aviation fuel sales and airport user fees, and indirectly by airport user taxes. No local, state or federal general taxes, such as property, utility, sales, intangible or income taxes directly support the NAA. The NAA receives, for certain capital projects, state and federal financial funds.

General information about the Naples Airport Authority can be obtained from our official website <http://www.flynaples.com/>.
