**Questions and Answers**

Q.1. Paragraph G. "Instructions For Bidders," states "...all DBE confirmation letters requested in Section X.A. may be included as an appendix at the end of the submittal."

This doesn't apply to this solicitation, correct?

A.1. The respondent may make reference to DBA compliance, however, should any work assigned to the selected firm where Federal grants fund a specific project, then the FAA provisions for Professional Services as set forth in "Certification of Bidder Regarding Debarment" state will apply.
