Re: **DISCUSSION ITEM**

1. Agreed Upon Procedures Review

SUMMARY: Committee discussion regarding the agreed upon procedures over internal controls performed by MSL.

BACKGROUND: At the May 10, 2022 Audit Committee Meeting, under Discussion E.3., Special Items for Review, it was recommended that staff from another MSL office review our internal controls after the new Microsoft Business Central accounting software was implemented. The testing was done in July and August 2023, giving the Authority staff time to use the new system and have transactions recorded. The Senior Director of Finance also requested MSL look at the controls related to the point of sale system that is used to record a majority of the revenue transactions for the Authority.

In addition to the IT controls, staff requested MSL review and recommend updates to the Authority's existing policies and procedures around cash, investments and accounts receivable.

COMMUNICATION PLAN: The Audit Committee minutes for this discussion will be available at the December 14, 2023 Regular Board of Commissioners meeting.

FINANCIAL IMPACT: Not applicable.
