Re: **DISCUSSION ITEM**

1. **Interviews and Ranking of Responses to Request for Qualifications and Proposals (RFP) #22-5513, On-Call Real Estate Appraisal Services**

ACTION REQUESTED: Interview the two (2) shortlisted firms and make a rank-order recommendation to the full Board for their meeting on January 19, 2023.

BACKGROUND: RFP #22-5513, On-Call Real Estate Appraisal Services was issued on August 23, 2022. The RFP was advertised and posted to the www.flynnaples.com website, the Naples Daily News, DemandStar and the Florida Airports Council. Prior to the submittal deadline of October 6, 2022, the City of Naples Airport Authority received four proposals in response to the RFP for the On-Call Real Estate Appraisal. Every submittal was carefully evaluated by select members of the NAA Staff at a public meeting held on October 14, 2022, and the following two (2) firms have been shortlisted for further consideration:

1. Slack, Johnston, Magenheimer
2. Airport Business Solutions

The Consultant Selection Committee meeting is scheduled for Friday, January 6, 2023 at 9 a.m. The first five minutes of the meeting will allow time for Committee member comments and questions regarding the RFP and selection process. Once complete, each firm will have up to 15 minutes for their presentation followed by a 15-minute question and answer period.

Supplemental information and a summary of the RFP which includes the scope of services being sought is included in this packet. The entire RFP comprises 31 pages, including Addenda and is available at <https://www.flynnaples.com/rfp-on-call-real-estate-appraisal-services/>

After all presentations are complete, the Committee will be asked to provide a ranking of the firms interviewed. The results of the Consultant Selection Committee ranking will be presented to the full Board for approval on January 19, 2023.

COMMUNICATIONS PLAN: The firms will be notified of the final ranking, and the results will be posted on our web site.

CSC Meeting

Supplemental Information

RFP 22-5513, On-Call Real Estate Appraisal Services

Issued August 23, 2022

I. SCOPE OF SERVICES AND DELIVERABLES

Appraisal projects procured by the Authority in the past ten (10) years include, fair market annual land rent, reproduction cost and depreciated value of improved aeronautical property; fair market value of the remaining leasehold interest of an improved aeronautical property; market value and estimate of the present value of the future net rental income of improved aeronautical property; and fair market rent of improved aeronautical property. In addition to these types of appraisal projects, the Authority anticipates the need for appraisals for the establishment of apron, parking, building and terminal rents, the acquisition of avigation easements and off-airport property. This explanation of past and anticipated appraisal needs should not be considered to limit the types of appraisal projects desired by the Authority in the future. The Authority makes no representation as to the number of appraisals to be performed during the contract period.

Addendum 1 Issued September 16, 2022

1. The term of the awarded contract has been adjusted.

III. CITY OF NAPLES AIRPORT AUTHORITY

The City of Naples is home to the Naples Municipal Airport (“APF”). Located in western Collier County (population 386,161¹), Naples is the main metropolitan area on the Paradise Coast, which is world-renowned for its beaches, cultural activities, and outdoor recreational opportunities.

Originally established as an Army base during World War II, today APF is a first-class general aviation facility. The airport property is located approximately two (2) miles from downtown Naples and consists of approximately 732 acres, which are utilized for both aeronautical and non-aeronautical purposes that serve a mix of personal, leisure and business-related travel. APF is home to flight schools, air charter operators, corporate aviation, a military history museum, the Collier Mosquito Control District (also known as “Mosquito Control”), the Collier County Sheriff’s aviation unit, car rental agencies and other aviation and non-aviation businesses.

¹ Collier County Economic Development Office. Retrieved from <https://www.collieredo.org/demographics>.

The Authority was created under Laws of Florida 69-1326, as amended, as an independent Authority responsible for the operation of the Naples Municipal Airport. It is governed by a five (5) member volunteer Board of Commissioners who are appointed by the Naples City Council. Under their direction, an Executive Director manages the airport and its programs.

Airport facilities include two (2) intersecting, paved runways; a turf runway; a control tower; U.S. Customs and Border Protection; and an Aircraft Rescue and Fire Fighting (ARFF) station. Runway 5-23 is 6,600' x 150' and Runway 14-32 is 5,000' x 100'. The turf runway is 1,850' x 100'. Both paved runways have a dual-wheel weight bearing capacity of 75,000 pounds. During the 2019 fiscal year, APF had approximately 112,262 total operations and 394 based aircraft, of which approximately 96 were jets. During the 12-month period ending September 30, 2021, there were 113,137 flight operations, of which approximately 41% were jet activity. APF does not currently have scheduled air service; but does maintain FAA Part 139 certification and a security program following TSA standards.

The Authority financially supports itself directly from aviation fuel sales and airport user fees, and indirectly by airport user taxes. No local, state, or federal general taxes, such as property, utility, sales, intangible or income taxes directly support the Authority. The Authority receives, for certain capital projects, state, and federal financial funds.

General information about the Authority can be obtained from our official website <http://www.flynnaples.com/>.

IV. MINIMUM RESPONDENT REQUIREMENTS

Respondents must meet or exceed the following minimum requirements to be considered:

- a. Respondent shall have a minimum of five (5) years primary experience in providing airport appraisal services.
- b. Respondent shall be a Certified General Real Property Appraiser listed on the National Registry of Appraisers who is licensed to provide appraisal services in the State of Florida.

V. SCOPE OF SERVICES AND DELIVERABLES

Appraisal projects procured by the Authority in the past ten (10) years include, fair market annual land rent, reproduction cost and depreciated value of improved aeronautical property; fair market value of the remaining leasehold interest of an improved aeronautical property; market value and estimate of the present value of the future net rental income of improved aeronautical property; and fair market rent of improved aeronautical property. In addition to these types of appraisal projects, the Authority anticipates the need for appraisals for the establishment of apron, parking, building and terminal rents, the acquisition of aviation easements and off-airport property. This explanation of past and anticipated appraisal needs should not be considered to limit the types of appraisal projects desired by the Authority in the future. The Authority makes no representation as to the number of appraisals to be performed during the contract period.

- a. The firm selected from this RFQ process will be contracted for an initial one (1) year term with (4) one-year renewal options.
- b. The selected appraisal firm will conduct assigned projects on an aggressive schedule. However, the Authority retains the right not to assign appraisal services for work under the Authority's current Lease Term Buy-Back Program to the selected appraisal firm.

- c. The selected appraisal firm will comply with all provisions of the Uniform Standards of Professional Appraisal Practice (USPAP), the USPAP Competency Rule, as well as applicable local, state and federal laws, ordinances and regulations including the Authority's Rules and Regulations.
- d. The selected appraisal firm will coordinate and provide supplemental professional and specialty support services, including, but not limited to, sign specialists, aerial photographers, fixture appraisers and general contractors, as necessary to support an appraisal assignment.
- e. Upon request, the selected appraisal firm agrees to provide a verbal opinion of value to the Authority for discussion and comment prior to completing the written report. After the verbal value has been satisfactorily considered, the appraisal firm will receive authorization to proceed and complete the comprehensive written report.
- f. Upon request, an unsigned draft of any written report shall also be provided to the Authority for review, comment, and discussion prior to submitting the final written report.
- g. The final report shall be provided electronically in a format acceptable to the Authority.

VI. CONTENT OF RESPONSES

The following sections and contents are required:

- a. A statement of qualifications accompanied by a brief transmittal letter prepared on the Respondent's company letterhead, with firm name, years in business, contact person, address, and telephone number and signed by an individual who is authorized to commit the firm to the services and requirements of this RFQ, the statement of qualifications and consequent task orders.
