SUMMARY OF CURFEW VIOLATIONS AND OPERATOR EFFORTS

- **N995WD:** Showed consideration for the voluntary curfew by delaying departure until as close to 7 a.m. as operationally possible, ultimately departing just before the curfew ended to allow the pilot to attend his son's cross-country meet.
- **Rich's Global:** Made adjustments to operations, when possible, to minimize nighttime activity, reflecting a continued commitment to being a good steward of the Naples Airport community and respecting the voluntary curfew.
- **General operator feedback:** Most operators interviewed were aware of the voluntary curfew and indicated that they make every effort to operate within it when feasible; however, operational requirements and weather-related circumstances may occasionally necessitate activity outside the curfew period.
